

As an Indiana citizen, I want to speak out against proceeding 02-278. I am very satisfied with our State's Do Not Call Law and am informed that the effectiveness of this law will be diminished with preemption from the federal law. Other Citizens of Indiana, as well as myself, do not want our law preempted. Recently we were awakened after 10 p.m. local time with a 'boiler-room' call. We rarely get a 'boiler-room' call now but the latest one woke us up (after 10:00 p.m. local time) and needless to say the experience was not a positive one.

Thank you for taking my comments.
